Agenda

1. Introduction
2. Overcoming ITX hurdles for toll manufacturing
3. How to deal with congresses & events?

Dear Madam or Sir,

As a tax specialist within a pharmaceutical company, you have to face complex sector specific challenges each and every day. In order to consistently find successful whilst efficient solutions, it is key that you are aware of industry-specific issues and international differences with respect to the correct VAT treatment.

We would like to invite you to our web based “ITX Pharma Virtual Round Table” to discuss a range of VAT and Customs issues which impact Toll Manufacturing as well as Congresses & Events together with other tax specialists from the pharmaceutical industry and international PwC ITX experts, who are focused on the pharmaceutical industry.

During our web based Virtual Round Table we will provide you within an overview of the key challenges surrounding Toll Manufacturing and Congresses & Events and present relevant practical solutions on a country-specific basis. You will have the opportunity to share your experiences and views on these issues with other tax specialists and to gain an insight into the international VAT treatment.

We are looking forward to welcoming you to our “ITX Pharma Virtual Round Table”! In case of any queries, please do not hesitate to contact us.

Kind regards

Götz Neuhahn
